CLARK B. DAVIS IS NAMED SECRETARY

Selected by Chamber of Commerce Directors to Succeed A. L. Walters, Who Resigned

WM. HANNAUER IS DIRECTOR

Housing Conditions Here Discussed by Directors—Plans Formulated to Relieve Shortage.

At a meeting of the directors of the chamber of commerce Thursday night, Clark B. Davis, widely known insurance man, was elected secretary of the organization to succeed Albert L. Walters, who tendered his resignation because of the urgent demands upon his time which are made by his personal business enterprises. Mr. Walters was elected secretary at the time of the organization of the chamber of commerce and has been actively connected with the work. He has been an energetic promoter of the best interests of the organization and while he served as an officer was always ready to devote his attention to the work which devolved upon him. His resignation was filed more than a month ago, but action on it was deferred until this time.

Dr. Davis has been prominently connected with public movements for a number of years. He is well known to the members of the chamber of commerce and to the citizens generally. He was a director of the organization, but upon his selection as secretary William Hannauer was elected to succeed him on the directorate.

The directors gave attention to several important matters at the meeting Thursday night. A committee was appointed to confer with the citizens and the members of the organization to ascertain what the majority believes is most needed to keep the chamber of commerce a wide awake, energetic and useful organization for Seymour, its citizens and the community. The investigation will be in the nature of a survey and all criticisms, good or bad, will be tabulated and from these the directors expect to formulate a solid basis for progressive action. The directors realize that if the chamber of commerce accomplishes its purpose it must follow the suggestions of the members who compose the organization.

The housing situation here was also considered. It is known that some families have moved from the city temporarily because they are unable to find suitable homes here. It is stated that a committee will be appointed to take up this matter without further delay with the view of remedying the situation. Several plans have been proposed and the committee will endeavor to work out the one that is most favorable for the city and for those who will occupy the houses.

REPORTS FROM GUN CAUSE INQUIRIES TO BE MADE

Several Shots Fired About 9:30 Thursday Night—Police Make Investigation

The firing of several shots about 9:30 Thursday evening has caused many inquiries to be made at the police station by persons who heard them. According to some who heard the reports from the gun, it sounded as if the shooting was taking place in the Baltimore & Ohio railroad yards.

The night police heard the shooting and made an investigation but were unable to get any information as to who fired the shots. Unusual interest was manifested in the shooting, which is believed due to the affray at Columbus early Wednesday morning, as some who heard it were afraid that members of the gang of thieves, who are believed to be operating in the southern part of the state, had started operation in this city.

EXPRESS SERVICE BY INTERURBANS

Interstate Company Granted Permission to Establish Local and Interline Rates.

25c TO BE MINIMUM CHARGE

Order Also Authorizes Companies to Establish Commodity Schedules—Shortest Routes.

The Interstate Public Service Company which operates the traction line between this city and Indianapolis and is reported to have secured the controlling stock in the Indianapolis and Louisville Company, is one of the ten interurban companies in Indiana to be granted the authority by the Indiana public service commission to establish express rates. The interurban companies had a contract with the express companies when the railroads were under private management, but these contracts were cancelled when the roads went under government management.

It is not known just when the express service will be instituted, but it is expected that the rates will be established within a short time.

The lines are authorized to file the new rates after five days' notice. The express service rates are established on a basis of 150 per cent. of first-class rates for local traffic and 120 per cent. of the local rate for interline traffic, and are computed on the diske scale. The minimum charge for local express established by the order is 25 cents and the minimum charge for interline, 35 cents.

The order also authorized the lines to establish commodity rates

TEN ROTARIANS WILL GO TO FRANKLIN THIS EVENING

Local Men Will Witness Installation on New Rotary Club Organized in That City.

Ten members of the Seymour Rotary Club will go to Franklin this evening to witness the installation of a new rotary club which has just been organized in that city. The Franklin Rotarians have made big plans for the event and clubs from all over the state will be represented there.

The Seymour Rotarians will make the trip to Franklin in automobiles and will leave at 4:30 this afternoon. Those who will attend are: J. H. Andrews, Ed P. Elsner, L. C. Griffiths, Ralph Martin, N. Kaufman, Willis Johnson, C. E. Wiethoff, Geo. F. Kamman, W. L. Federmann and W. L. Clark.

GERMAN OFFICER'S HELMET ON DISPLAY IN CITY

Brought from Saarburg, Germany by Captain Oscar B. Abel to Dr. M. F. Gerrish.

A German officer's helmet brought from Germany by Capt. Oscar B. Abel, who returned here Wednesday, is on display in the window at Geo. F. Kamman's jewelry store. The helmet is now the property of Dr. M. F. Gerrish, Captain Abel having presented him with it as a souvenir of the World War.

The helmet is a fancy one and is trimmed with gold plate which indicates that it had been worn by some high German war official. Captain Abel secured the helmet while he was at Saarburg, Germany.

Last Sunday in October.

Washington, June 6—A resolution to appeal the daylight saving law the last Sunday in October, the day the clocks go back to standard time, was favorably reported by the house interstate commerce committee today.

"A Strenuous Life," A Merry College Farce, Presented By A Cast Of The Senior Class.

BIG AUDIENCE IS DELIGHTED

Lines Which Are Filled With Bitch Humor Interpreted in A Highly Creditable Manner.

"A Strenuous Life," a sparkling college comedy, was presented at the Majestic theater Thursday night by a talented and well trained cast selected from the Senior class of the Shields high school. A big audience witnessed the presentation and evinced its pleasure and appreciation by frequent outbursts of applause. The play was given in a highly creditable manner which showed that the cast had been well trained, but its splendid success could not have been achieved without that element of natural ability which was revealed by each character. It is generally regarded as one of the strongest plays that has ever been given by a Senior class of the local high school.

The lines of the farce comedy depicted an unusual college life in which many complicated and humorous situations developed. Tom Harrington, the son of Byron Harrington, a man of considerable wealth, is a society favorite and a popular athlete. He devotes most of his time

LOAN & TRUST COMPANY INSTALLS ALARM SYSTEM

Banking Institution Will be Safely Guarded Against Robbery Day or Night.

A burglar alarm system is being installed at the Jackson County Loan & Trust Company building which will protect the banking institution against any attempt at robbery day or night. By the new system it will be impossible for anyone to tamper with the safety vault after it has been closed for the day without sounding an alarm that can be heard at a distance of several blocks.

Concealed push buttons about the building and desks of the bank officials will enable them to sound the alarm without attracting attention in case any attempt is made to rob the bank during the day time. The system installed in the Loan & Trust Company is the same as that placed in the Seymour National Bank a few days ago, both banking institutions having purchased the alarm at the same time.

AVERAGE ESTIMATE REACHED BY BOARD

Members of Board of Review Complete Appraisal of Land in Townships.

FIVE TOWNSHIPS LOWERED

Land Owners Who Are Not Satisfied Can Take Matter Up With Board Now in Session.

The county board of review in session today has completed the work of making an appraisal per acre of land in the different townships on which the tax assessments will be based. The board of review has seen fit to raise the estimate furnished by the assessors in five of the townships. Salt Creek township having been raised 100 per cent., Hamilton, 30 per cent., Owen, 20 per cent. and Washington and Redding 10 per cent. each. The average per acre in Grassy Fork township has been lowered 30 per cent.

Henry Alberring, county treasurer, who is a member of the board, stated this afternoon that the members had been working several days in order to reach an average on the naked acre of land in each township on which the average assessment will be based. The estimates do not include the improvements on the land.

Any land owners who feel that the average assessment agreed on by the board of review is unsatisfactory will have the privilege of going before the board and stating their complaint. The board reserves the right to make any changes it may see fit. The following figures show the average value per acre of land a year ago and the new estimate made by the board of review now in session.

Township	1918	1919
Driftwood	\$31.88	\$73.13
Grassy Fork	12.92	29.57
Brownstown	23.29	57.35

Salt Creek	4.32	9.88

MINOR CHARGES FILED IN BARTHOLOMEW COUNTY

Four Men Held in Connection With Local Booze Robbery Unable to Furnish Bail.

The four men who were arrested at Columbus in connection with the local booze robbery, were charged in the Bartholomew circuit court today with carrying concealed weapon and each entered a plea of not guilty. They were committed to jail upon failure to furnish bond which was fixed at \$1,000 in each case. The trial of the quartet is set for June 12 in the Bartholomew circuit court. An investigation is still under way and it is probable that other charges may be preferred.

MODIFICATION IS NEAR AGREEMENT

British and French Delegates Approach Understanding as to Alternations of Treaty.

BOTH MAKE CONCESSIONS

"Big Four" Continues to Refuse to Publish Text to Embarrassment of U. S. Envoys.

By United Press

Paris, June 6—British and French delegates through American intercession, were reported today to be approaching an agreement on the degree of modification of the German peace treaty. It was understood that the changes in the terms probably will result in some concessions by both groups, the French receding from their previous stand of opposing all modifications, with the British agreeing to abandon most of the alterations recently advocated by them.

The reply to the German counter proposals which will embody the proposed modifications is now expected to be ready for presentation early next week. Meanwhile the "big fours" continued refusal to publish the text of the original treaty is resulting in embarrassment to the American commissioners as the result of charges by Senator Lodge and Borah that copies are in possession of certain private interests in New York.

This embarrassment is increased by the fact that it is reported that copies are available at news stands in Germany, Switzerland, Holland and every neutral country.

INVESTIGATION OF TREATY LEAGUE ORDERED

Johnson Resolution Demanding Publication of Conditions Passed.

By United Press

Washington, June 6—The senate today unanimously ordered investigation of the peace treaty league. A moment later the Johnson resolution demanding the state department immediately make public the peace treaty was passed. The Hitchcock resolution directs the foreign relations committee to prove statements by Senators Lodge and Borah that the treaty text is in New York while it is denied to the senate.

Adoption of the resolution followed a bitter tilt between Hitchcock and Lodge over a substitute for the Hitchcock measure. The substitute introduced by Senator Kellogg, Minnesota, provided for an investigation also of the statement that the treaty has been freely circulated in Germany and other countries.

It did not mention either Lodge or Borah as Hitchcock's resolution did. This grew from Hitchcock the charge that Lodge was trying to escape responsibility for his statement by having the investigation cover a broad scope, and not be confined to a specific charge.

CONSIDERATION OF WIRE LEGISLATION

House and Senate Interstate Commerce Committees Discuss Supplemental Laws.

FEDERAL CONTROL IS ENDED

Amended Measure May be Introduced to Take The Place of The Kellogg Resolution.

By United Press

Washington, June 6—Congress will go ahead on early passage of its resolutions providing for return of telegraph and telephone properties to their original owners, according to the indications today. The senate interstate commerce committee at a special meeting today decided that Postmaster General Burleson's order yesterday announcing return of operating control to the owners, constitutes a release of some responsibility, but not actual control in connection with the properties.

Burleson himself in a letter to the committee today expressed a desire to correct an impression that he has turned back anything but actual control of operation. So after adopting an amendment to continue existing rates for ninety days instead of sixty days as provided in the original resolution, the committee decided to stand pat on the Kellogg resolution to return wire measures as submitted to the senate.

The Kellogg measure provides that the telephone and telegraph property shall be returned "forthwith" and that rates fixed under government control shall be continued at least until the president has signed the measure.

Members of the senate committee said in their opinion the Burleson order, by limiting further government control to "control of operations" makes necessary legislation putting the physical properties back in the hands of private owners. They regarded Burleson's step as preparation to give the companies time to adjust their book keeping.

According to testimony of Newcomb Carlton, Western Union president, before house and senate committees the transition back to private control will mean absolutely no change, so far as the public is aware, in the conduct of the business. Carlton said he had been permitted to run the business just as before the war.

Representative Esch, chairman of the committee on Interstate commerce, said the committee is investigating the needs of the situation, hinted that Burleson appeared to be trying to "get out from under."

"At first hand it looks like the postmaster general wants to avoid the difficulties that now confront the companies," Esch said. "The most important thing to determine is how the postmaster general's higher rates will affect efforts of the public to obtain lower ones through their utility commissions and legislation is needed so that clear authority is given the commissions to adjust rates as soon as the lines are completely returned."

"The companies cannot tie up the decreases in the courts for years."

Members of the committee seem to favor some fixed adjustment period. First Assistant Postmaster General Koons suggested a year, but other witnesses stated three to six months would be sufficient. The senate bill provides 60 days.

Senator Cummins, chairman of the interstate commerce committee, said the continuance of rates fixed under government control seemed to him the principal matter needing congressional action.

"We shall determine today," said Cummins, "whether to go ahead with the Kellogg resolution, now on the senate calendar or to withdraw it and introduce an amended measure of narrower scope."

A NEEDED IMPROVEMENT.

In looking around for a way to better and improve the average city, it usually is not necessary to go beyond the corporate limits. Locally, there are many improvements that ought to be made which comparably would not mean great expense. They would make a vast change in the appearance of the city and would be worth a great deal.

One of these improvements is a better system for lighting the business district. This suggestion is not a new one. It has been discussed for several years and the majority of people realize its urgent necessity. Yet the old inadequate system remains because no one takes the initiative to change it. At one time plans and specifications were prepared and the improvement appeared to be on the road to success, but

then the war came and all such work was stopped.

There is again a general demand that the street lighting system be remedied. The post system is apparently favored by the majority who are interested in the movement. The cost of the additional current would not be so much greater than that of the antiquated arc lights but that the city could maintain the system when once installed. The original cost of the posts and wiring, it is proposed, would fall upon the merchants and the property owners.

The business district is the most poorly lighted section of the city. Visitors and passengers on trains get their first impression of a city by the appearance of its business district. The impression here is not a very pleasing one, but the situation could be quickly and economically remedied.

The matter of securing houses for rental purposes in this city is serious. Families are leaving here because they can not find suitable homes. Surely there is some way to overcome this. In other cities holding companies have been formed and houses are built for tenants who pay a stated sum each month the same as rent, but the payments apply to the purchase price of the house. The holding company is not primarily a money making concern. It is made possible by public spirited men who are willing to invest their money in homes at a reasonable rate of interest. As soon as the houses are paid for the money is reinvested into other houses which are sold in the same manner. In a few years a large number of houses are erected and the tenants become property owners instead of renters. Such a scheme might be worked out here with splendid results for both those who are unable to find homes as well as for the city in general. The chamber of commerce is giving its attention to the house scarcity situation and in so doing is rendering valuable service.

Mrs. J. W. Griffiths who was called here a few days ago on account of the illness of her grandson, Ralph Steinwedel, son of Mr. and Mrs. John Steinwedel, returned to Holton Thursday evening.

APPEAL BOND IS FILED IN JACKSON CIRCUIT COURT

Jennings & Beabout Seeking to be Released From Contract to Build Road.

An appeal bond has been filed in the Jackson circuit court by Jennings & Beabout, road builders, in which they are seeking to be released from the contract to build the Brownstown-Slygo road. The firm was awarded the contract about two years ago. After they had started the work they were delayed on account of traffic conditions on the railroads making it impossible for them to get the Ohio river gravel which the specifications of the contract called for and it was necessary that they stop work.

The firm alleges that it is entitled to be released from the contract under the contractor's relief law which was passed by the last legislature. The members of the firm appeared before the board of county commissioners at the June session and asked to be relieved from completing the contract and were refused which resulted in the matter being appealed to the circuit court.

The parents of the scouts of Troop No. 1 are asked to meet this evening at the Presbyterian church at 8 o'clock. Plans will be made at this time for the summer outing. The scoutmaster desires as large a representation as possible.

Mrs. Will Brennan of Washington, came this morning to meet Mrs. Charles Connaughton, who recently underwent an operation in Indianapolis, and accompanied her home.

Henry Hodapp, who has been working at Camp Knox, Ky., came Thursday afternoon to visit relatives. He will leave Saturday morning for Akron, Ohio.

"EVERYTHING WRONG"

So It Seemed To This Lady, Until Cardui Relieved Her Suffering.

Wyandotte, Mich.—"About a year and a half ago," writes Mrs. Florence Rogers, now of this place, formerly of Florida, "I had got in very bad health. Everything was wrong. I couldn't eat anything that didn't make me suffer...My limbs also gave me great pain and the pains in the limbs extending down to the knees. I too had awful pains in the back and was very thin and run-down in health...was terribly nervous. Everything would startle me..."

An acquaintance told me of the great benefit she had received from Cardui...I was so bad off I couldn't do my work. The little daughter had to take charge of the work, and I could hardly walk..."

I began using Cardui, and in about a week I felt much improved...I got better right along, after taking the Cardui...In about 2 weeks after taking the Cardui, I was able to do all my work except the washing...In a month more, I could do all my work, and the washing too."

Ladies! Take Cardui, the woman's tonic, for your troubles. It has helped thousands of other women in the past 40 years. Why not you? Your druggist sells Cardui.—NCB-13

YOUR CATARRH MAY LEAD TO CONSUMPTION

Dangerous to Use Treatment for Only Temporary Relief.

There is a more serious stage of Catarrh than the annoyance caused by the stopped-up air passages, and other distasteful features. The real danger comes from the tendency of the disease to continue its course downward until the lungs become affected, and then dreaded consumption is on your path. Your own experience has taught you that the disease can-

not be cured by sprays, inhalers, atomizers, jellies and other local applications.

S. S. S. has proven a most satisfactory remedy for Catarrh because it goes direct to its source, and removes the germs of the disease from the blood. Get a bottle today, begin the only logical treatment that gives real results. For free medical advice write Medical Director, 47 Swift Laboratory, Atlanta, Ga.

7 A DAY FOR 7 DAYS

If Your Nerves Are Shaky Because of Over-Indulgence in Tobacco or Alcohol or by Excess of Any Kind, Bio-Feren is What You Need Right Away.

Don't grow old before your time, don't let nervousness wreck your happiness or chances in life. The man with strong, steady nerves is full of vigor, energy, ambition and confidence.

You can have nerves of steel, firm step, new courage and keen mind by putting your blood and nerves in first-class shape with mighty Bio-Feren, a new discovery, inexpensive and efficient.

Men and women who get up so tired in the morning that they have to drag themselves to their daily labor will in just a few days arise with clear mind, definite purpose and loads of ambition.

All you have to do is to take two Bio-Feren tablets after each meal and one at bedtime—7 a day for 7 days—then reduce to one after each meal until all are gone.

Then if your energy and endurance haven't doubled, if your mind isn't keener and eyes brighter, if you don't feel twice as ambitious as before, any druggist anywhere will return the purchase price—gladly and freely.

Bio-Feren is without doubt the grandest remedy for nervous, run-down, weak, anaemic men and women ever offered and is not at all expensive. All druggists in this city and vicinity have a supply on hand—sell many packages.

FASCINATING TEETH

How Every Woman Can Quickly Charm Her Friends With Lovely Teeth, Clean, White and Brilliant

If you want the cleanest of white teeth and healthy gums free from disease, an easy and quick way to get both is to use a tooth paste so effective and perfect that astonishing results usually come in a week's time.

And the cost is so little. Just go to any drug or department store, and get a large tube of SENRECO TOOTH PASTE for 35 cents.

Not only will it make your teeth clean and white, but it will at once remove any filmy coating, help to check the ravages of Pyorrhea and banish acidity in the mouth.

It is used by thousands of dentists and its sale has been remarkable. When you visit your dentist, which you should do at least twice a year, ask him about SENRECO. It's a most delightful and refreshing tooth paste.

Hurt at Indianapolis.

A man giving his name as Davis, of Louisville, fell in an unconscious condition on North Chestnut street this afternoon. He was removed to the police station where treatment was given. He said he was thrown from a street car in Indianapolis recently and suffered a fractured skull. He was removed to a hospital there, he said, but was sent to his home in Louisville. He has sufficient money to pay his fare to Seymour. Muncy was made up here to buy a ticket to Louisville for him and he left this afternoon. The wound has not healed properly, it is said, and the stroke was due to pressure on the brain.

SOCIAL EVENTS

PIERCEFIELD—MORTON.

Miss Josephine Piercefield, of Columbus, and John W. Morton, of this city, were married at 8 o'clock Thursday evening at their newly furnished home, corner South Lynn and Brown streets, Rev. F. A. Hayward, pastor of the First Baptist church officiating. The Baptist ring ceremony was used. The house was prettily decorated with cut flowers, and during the evening several selections were given on the Victrola. Refreshments of ice cream and cake were served.

The bride wore a beautiful gown of beaded georgette and carried a shower bouquet of sweet peas and roses.

The guests present included: John W. Morton, Sr., Mr. and Mrs. T. C. Morton, Mr. and Mrs. Dan Joyner and daughter, Lucille, Mrs. Ella Morton and daughter, Edna Mae, Mr. and Mrs. Fred Niehaus and children, Merle, Virginia and Lawrence, Mr. and Mrs. Dan Springer, Robert and Howard Springer, Mrs. Ada Bowers, Miss Mollie Salters, Mrs. Mariah Porter, Miss Eula Goss, Mr. Henry Hoover and daughter, Laverne, Mrs. Henry Claycamp and children, Dorrence Moritz, of this city, Mr. and Mrs. Ed. Piercefield, Howard and Lon Piercefield, Misses Minnie Ahlbrand, Mary Foster, and Emma Taylor, of Columbus, Mrs. H. J. Davis and daughter, Hannah Jane, of Klea, Ohio, Mr. and Mrs. Max Prewitt, of Crothersville.

Mrs. Morton is a daughter of Mr. and Mrs. Ed. Piercefield, of Columbus, and formerly resided in this city. Mr. Morton received his discharge from military service in January. He served with the Spruce Division in Oregon. He is now engaged in the ice business with his father.

Mr. and Mrs. Morton received a large number of wedding gifts.

SOCIAL MEETING.

Another of the social meetings planned by the ladies of the St. Paul's Congregational church was held Thursday afternoon and evening at the home of Mrs. Wm. Plummer, of Hamilton township. Over 120 members and friends of the church were present to enjoy the afternoon with games and music. Mrs. Plummer and Mrs. Herman Klosternan, as hostesses, served an elaborate luncheon. These meetings are growing in favor with the church people affording an excellent opportunity to cultivate the social side of church life.

ENTERTAIN.

Mr. and Mrs. Blaze Robertson entertained a large number of friends, including the members of the Happy Go Lucky Club Thursday evening at the home of Mr. and Mrs. Henry Davis, Brownstown. The evening was spent informally and refreshments were served. Mr. and Mrs. Robertson were recently married and expect to leave this evening for Charlotte, Iowa, for future residence. Mrs. Robertson was formerly Miss Frieda Davis.

FRIDAY MAGAZINE CLUB.

The Friday Magazine Club met this afternoon at the home of the President, Mrs. Lillian Hagan, North Poplar street. The following program was carried out: Responses—Scraps of Irish Wit. Ireland's Clan and Feudal System... Mrs. Hopewell. Notable Legends of Ireland... Mrs. Pfaffenberger. Irish Homeland Music... Mrs. Abele.

DURHAM—MORRIS.

Announcement has been made here of the marriage of Herbert W. Durham, formerly of this city, and Miss Effie Morris, of Frankfort, Ky., which took place in that city Tuesday evening. Mr. Durham is employed as an engineer on the Baltimore & Ohio Railroad but is working on the Louisville branch out of Louisville. They will live there for the present.

ENTERTAIN SENIORS.

The High School faculty will entertain the members of the Senior class this afternoon at 4 o'clock, with a picnic in the Velslage woods, on West Second street. A picnic supper will be served.

FRENCH CIRCLE.

Miss Leona McCann, South O'Brien street, will be hostess this evening to the members of the French Circle.

DANCE CLUB.

A social meeting of the Dancing Club of Brownstown was held Friday evening in their hall.

Francis Wells, a member of the Rainbow band, who spent Thursday with friends at Brownstown, was in the city this afternoon enroute to Bloomington where he will spend the summer.

WOMEN FROM NORTH, SOUTH, EAST, WEST

Recommend Lydia E. Pinkham's Vegetable Compound as a Reliable Remedy for Woman's Ills.

Spokane, Wash.—“I want to recommend Lydia E. Pinkham's Vegetable Compound for women's ailments as it helped me so much during middle age.”—Mrs. MARTHA CONNOR, 1027 Mansfield Avenue.

Abilene, Texas.—“For almost a year I was unfit to do my work as I suffered so from female ills. Lydia E. Pinkham's Vegetable Compound restored my health after physicians had failed.”—Mrs. E. E. OWENS.

Rockville, Conn.—“I suffered so long from female ills I was blue and melancholy. Lydia E. Pinkham's Vegetable Compound restored my health after everything else had failed.”—MARY WIRZ, 3 Chamberlain St.

Oakland, Cal.—“Lydia E. Pinkham's Vegetable Compound gave me such relief during Change of Life, I wish every woman could know about it. I surely praise this great remedy for women's ills.”—Mrs. MARY S. ASHLEY, 5709 Dover Street.

The reason Lydia E. Pinkham's Vegetable Compound is so successful is because it contains the curative, strengthening properties of good old fashioned roots and herbs, which act directly on the female organism.

Rengo Belt

Reducing Corsets

Are Economical

No reducing corsets are so truly economical, so long-lived or so satisfying as these extra-strong garments.

The Rengo Belt feature of tailoring has become famous among medium and stout women, because it solves the problem of retaining shapeliness where the greatest strain comes over the abdomen and hips. Note the exclusive method of boning this portion of the garment, then wear one Rengo Belt model—you will find your first supreme corset satisfaction.

Models for every figure—some with steelastic webbing for greater freedom—all with double watch spring boning.

Prices for Rengo Belt Corsets Range from \$2 to \$10.

HIGH SCHOOL TEACHERS GIVE PICNIC FOR SENIORS

Baccalaureate Service Will be Conducted Sunday Night—Commencement Week Schedule.

The commencement festivities which center about the 1919 graduating class are in full swing. The class play marked the beginning of the festivities, and it was followed today with picnic in honor of the seniors by the teachers of the high school. The outing was held at Vehs-lage's grove, west of the city.

The baccalaureate service will be held Sunday night at the First Baptist church. The address will be delivered by the Rev. W. E. Carfroll, pastor of the Central Christian church. A number of the congregations will abandon services Sunday night because of the general interest in the school service.

On Monday night the teachers and students will hold a reception at the high school building for the parents, and on Tuesday evening the Junior reception and banquet in honor of the graduates will be conducted. The Senior class day will be observed Wednesday and the concluding feature will be held Thursday night at the Christian church with the annual commencement exercises. Dr. George McIntire, president of Wabash college, will deliver the class address.

The report cards for all pupils of the public school will be given Friday afternoon at 3 o'clock.

PEACE PARADE AT CAPITAL

Series of Tableaux in Front of Public Buildings Planned.

By United Press

Washington, June 6—Washington is preparing to celebrate Independence Day this year with a pageant and parade typifying the return of peace and friendship to the world.

Every nation which has an accredited representative in the national capital has been asked to take part in the big demonstration and many are preparing elaborate floats depicting the art, industry and national life of their respective countries.

The principal features of the celebration will be a series of tableaux in front of the various public buildings followed by a parade, up Pennsylvania Ave. to the Capitol, after which medals will be presented to the Washington soldiers who took part in the war.

President Wilson, cabinet members, supreme court justices and other high officials will occupy seats of honor at the capital.

AIRSHIP WILL CARRY 100

Thought Craft Can Make 75 Miles an Hour.

By United Press

London, June 6—Fare to America by air—four cents a mile.

This is the Vickers Company's predicted price for a trans-Atlantic trip in the new gigantic airship, now practically completed at the firm's Barrow yards, and of which the trials are scheduled for May. The vessel, which is of the latest improved type, will have a cubic capacity of over 1,200,000 feet, and is designed to carry 100 passengers to America in 48 hours. The average speed for the trip will be 75 miles per hour, and the fare should work out at about four cents a mile, or \$240.

Vickers are also building a number of airships for sporting purposes, including African big-game hunts.

Lieut. Brodus Smith and family are making an extended visit with his mother, Mrs. W. W. Smith. Lieut. Smith recently returned from service overseas. After their visit here they will return to their new post-war home in Bridgeport, Ill.—Franklin Star.

George Judd, John Grelle, Howard Beatty and Ed Steinwedel expect to leave Saturday for Akron, O., where they will be employed.

Expectant Mothers

View Event Calmly

Time Brings Knowledge That by Use of Penetrating Remedy Suffering Is Avoided.

Thousands of women have found by the application of Mother's Friend the penetrating external remedy, prepared especially for expectant mothers, that pain and suffering at the crisis is avoided and that in addition the months preceding the crisis are free from nervousness, nausea, stretching and bearing-down pains and general discomfort. Mother's Friend makes it possible for the expectant mother to herself actually aid nature in the glorious work to be performed, and no woman should neglect to give nature a helping hand. It will mean infinitely less pain and the hours at the crisis will be less. The period is one of calm repose and restful nights.

By the use of Mother's Friend the skin is kept soft and natural, and experienced mothers say that it is much better to keep your health and good looks during the period of expectancy than to try to regain them afterward.

Write the Bradfield Regulator Company, Dept. G, Lamar Building, Atlanta, Georgia, for their interesting Motherhood Book, and obtain a bottle of Mother's Friend and begin its use at once.

Boys! Girls!

Win \$5 in Gold VACATION MONEY

Think of it — \$5 for 50 words — \$5 in Gold! And so easy for any boy — any girl!

This is All You Have to Do

Ask your mother why she thinks Calumet Baking Powder is the best Baking Powder she ever used. Mother knows why Calumet is better — if she has ever used it — and she can tell you. Then when she tells you, just write in 50 words or less the reason — "Why mother likes Calumet best." Sign your name and address, and mail to us. That's all.

The boy or girl who sends in the best answer — in 50 or less words — why mother likes Calumet best, will receive a \$5 Cash Prize.

The Only "Rules" Are These

Only boys and girls in or "under" the 8th grade in any school are allowed to enter the contest. Your answer must not have more than 50 words.

Contest closes June 16th Your answer must be in our office on or before that date.
